Member Success

I feel way better about my financial health than it was before. I feel like the program really laid down the foundation to help me make way better financial decisions. - Alexandria

Financial Challenges

- Due to poor credit, could not get the loans and help she needed.
- Bankruptcy filing made raising credit score challenging.
- Past bad spending habits and no savings, resulted in increasing debt to stay afloat.
- Little financial knowledge to fix financial situation on her own.

Steps Towards Success

- Learned smart and proper credit card usage to stay debt free.
- Started creating an emergency savings account from extra money.
- By having someone to talk to was able to create budgets and spending goals.
- Laid down a solid spending foundation post EmpowerMe! graduation.

Success Outcomes

- By sticking to her financial plan, Alexandria was able to raise her credit score by 75 points!
- With a better credit score, Alexandria was able to qualify for a Mortgage, Home Equity Line of Credit, and a low rate Credit Card.
- Was able to pay down a lot of debt, freeing money up to start an emergency savings account.
- Increased her Financial Health Score by 19 points (100 pt scale).
