Member Success

I am so much more prepared for life's little surprises. I feel like I am in control of my financial health instead of just flying by the seat of my pants! - Toni

Financial Challenges

- Due to unpaid debt, Toni had a low credit score making it hard to get approved for other financial needs loans.
- She had unpaid debt and no savings for emergencies.
- She used payday loans frequently to make ends meet.

Savings

- Toni changed her spending behavior, and started paying herself first by creating a personal savings for emergencies.
- Toni set financial goals and stayed aware of her spending habits.
- She plans for future emergencies and expenses by budgeting, watching her spending, and saving.

Success Outcomes

- With hard work and sticking to her financial plan, Toni was able to raise her credit score by 100 points!
- With a higher credit score, Toni now qualifies for a home mortgage loan, and was able to purchase a new home.
- Better savings habits have resulted in being able to save more money.
